East Greenwich: Float Teacher

Description

Anchor Point Early Learning Academy is seeking a caring, adaptable, and enthusiastic **Float Teacher** to join our East Greenwich team. This important role provides support throughout our school, helping ensure that every classroom receives the assistance needed to create exceptional learning experiences for children.

Our educators work together to create a warm, engaging, and nurturing environment where children feel safe, supported, and inspired to learn. As a Float Teacher, you'll play a key role in maintaining classroom continuity while supporting teachers, students, and daily school operations.

As a Float Teacher, you'll have the opportunity to work with children across multiple age groups and classrooms. This position is ideal for someone who enjoys variety, works well as part of a team, and is passionate about supporting high-quality early childhood education.

What we are looking for:

- Passion for working with young children in an early childhood education setting.
- Flexible, dependable, and able to adapt to different classrooms and age groups.
- Strong communication and teamwork skills.
- Positive attitude and willingness to support wherever needed.
- Previous childcare, preschool, or early childhood education experience preferred.
- Understanding of child development and developmentally appropriate practices is a plus.
